TECHNICAL INFORMATION

4725/4775/4795 Series Films are an intermediate film with the high gloss look of premium vinyls, but priced as low as calendered. Great for general-purpose signs: interior/exterior, posters/show cards/banners, and window graphics. Excellent cutting, weeding, and transferring characteristics.

Film thickness: 3.2 mil
Durability: up to 6 years
 Consult your ink supplier before printing & test all ink prior to production.
